

# Why choose PG Mutual Private Medical Plans

## What our users say about our Private Medical cover

“ Just to say a big thank you for settling my claim so efficiently and so promptly. This has been a big help to me as I am self-employed and had to pay someone to keep my shop open for my customers so that payment was very welcome. ”

**Mr Barrett, Hampshire**

“ Thank you. I sent in my bills less than a week ago and have already received a full settlement. I have dealt with insurance companies before and HMCA are the best I've come across in my time. I am very appreciative for the support from HMCA and will be sure to tell everyone I meet. ”

**Mr Swadling, Surrey**

“ Once again I would like to thank HMCA for the prompt settlement of my claim and again re-iterate what I wrote in my letter of some 15 years ago thanking HMCA for doing what it says on the tin. A refreshing change in this current climate of Insurers doing their best to avoid settling claims. ”

**Mr Lister, Bedfordshire**

“ I am recovering well after my operation and must say how grateful and how lucky I am to have your support. ”

**Miss Kudo, London**

“ We would both wish to thank you for the efficiency and professionalism, but most of all, the kindness and friendliness displayed by all the staff who we have dealt with over the telephone at HMCA regarding recent claims. ”

**Miss Williams, Denbigh**
